

SkyNRG Supply & Operations Internship

SkyNRG is seeking for an enthusiastic intern to support our Supply & Operations team. The ideal candidate has a genuine interest in bio jet fuel and is currently working towards a Master's degree in a field relevant for the Internship. Are you available for at least 4 months starting September/October 2017 and are you a team-worker with a sparkling personality and a can-do mentality? Then we hope to hear from you soon!

Company Profile SkyNRG

SkyNRG is the global market leader for sustainable aviation fuel (SAF), having supplied over 25 airlines on all continents worldwide. SkyNRG sources, blends and distributes SAF, guarantees sustainability throughout the supply chain and helps to co-fund the premium. At the same time, SkyNRG focuses on developing regional supply chains that offer a real sustainable and affordable alternative to fossil fuels. SkyNRG has its operations RSB certified and is structurally advised by an independent Sustainability Board in which the WWF-International, Solidaridad, European Climate Foundation and the Energy Academy Europe hold a seat. www.skynrg.com
