

Internship: SkyNRG Business Development, focus on Fly Green Fund Sweden

For our headquarters in Amsterdam, we're looking for an enthusiastic intern to support our Business Development team focused on SkyNRG's Fly Green Fund. The ideal candidate is currently in the final phase of his or her study and is working towards a master's degree in a field that's relevant for the internship (preferably a Master of Science). If you're a high achiever with a sparkling personality, then we hope to hear from you soon! Starting date: as soon as possible for a period of at least 3 months.

Company Profile SkyNRG

SkyNRG is the global market leader for sustainable aviation fuel (SAF), having supplied over 25 airlines on all continents worldwide. SkyNRG sources, blends and distributes SAF, guarantees sustainability throughout the supply chain and helps to co-fund the premium. At the same time, SkyNRG focuses on developing regional supply chains that offer a real sustainable and affordable alternative to fossil fuels. SkyNRG has its operations RSB certified and is structurally advised by an independent Sustainability Board in which the WWF-International, Solidaridad, European Climate Foundation and the Energy Academy Europe hold a seat. www.skynrg.com

Fly Green Fund Profile

The Fly Green Fund is a Nordic initiative founded by SkyNRG, NISA and Karlstad Airport, that enables organisations and individuals to reduce their carbon footprint by flying on sustainable aviation fuel. It aims to secure the necessary funding to kick-start the market for sustainable aviation fuel in the Nordics, by creating demand and at the same time supporting the development of production capacity from locally available feedstock. For more information, please visit www.flygreenfund.se.

Job Profile

The person that we're looking for has a genuine interest in renewable energy and SAF in particular. We will jointly determine your exact role based on your interests and university requirements. Your key activities will however be related to/in support of the Fly Green Fund program management. Activities include:

- Project management
- Technical and economic analyses of SAF supply chains
- Sustainability assessments
- Report writing and making presentations
- Developing existing business opportunities

Key Criteria

The ideal candidate has the following key qualifications:

- Fluency in Swedish and English (both written and verbal)
- Strong analytical skills
- Can do mentality, great social skills and likability
- Can deal with and likes a start-up environment, hands-on mentality
- A person that is self-motivated, independent and persistent

What we offer

SkyNRG is offering:

- An inspiring international work environment
- Unique experience in a fast growing and innovative industry
- A great opportunity to gain experience in business development

Is this you? Please contact us at careers@skynrg.com with your resume and motivation!
